

European Union REACH Regulation (EC) No 1907/2006

According to Article 33 (1) and the published candidate list¹ we must inform about the following substance in our products:

Product Category	Position	Substance	CAS No.
Thin Clients	Brass Parts	Lead	7439-92-1
Optional Accessories	Rubber Feet	Dodecamethylcyclohexasiloxane	540-97-6

In relationship to the ISO 9001 and 14001 certified IGEL process for a continuous improvement (CIP) IGEL will avoid this substance if the alternative substance exceeds the high IGEL quality and environmental standards.

Bremen, 04/01/2021
