The Customer shall be in default if the invoice remains unpaid after the due date. Time is of the essence in respect of any sums due for payment in this Contract.
- 6.2 IGEL is allowed to charge reminder fees to cover IGEL's reasonable costs for each reminder. In the event of failure to pay by the due date, IGEL is entitled to demand a one off payment of £ 40.00 instead of a reminder fee. Force majeure includes any circumstance that is independent of the will of IGEL, including but not limited to armed conflicts, official interventions and prohibitions, delays in transport or customs clearance, damages in transit, energy shortage and raw materials scarcity, labor disputes and default on performance by a major component supplier which is difficult to replace, industrial action, official directive, and faults by third parties engaged by IGEL.
