File Layout

- Please use the Adobe Illustrator template file provided.

- Embed all used images and drawings

- Outline all fonts.

- Please make sure all colours are CMYK. (No spots or RGB).

Pictures/Colors/Profiles

- To ensure high quality we require all images to have a resolution of 125 DPI at 100% size.

- Use only images in CMYK, not in RGB. RGB data will be automatically converted to CMYK and this may lead to color shifts.
